<i>subject:</i>	Ex parte Communication; Docket No. EERE-2016-BT-TP-0012 and Docket No. EERE-2019-BT-STD-0039		

This memo memorializes the meeting between the Association of Home Appliance Manufacturers (AHAM) and the Department of Energy on June 10, 2022, for inclusion in the above-captioned public dockets. In summary, we discussed AHAM's comments on each docket and AHAM's recommendation that DOE pursue non-regulatory approaches to achieving greater water and energy savings from the dishwashing process.

The attendees were as follows:

Ashley Armstrong, DOE
John Cymbalsky, DOE
Judith Reich, Guidehouse
Timothy Sutherland, Guidehouse
Jennifer Cleary, AHAM
